Students of the Shakespeare school found it hard to find their way to the theatre.

## Stratford, one of a kind

Culture, representation and language are all central to the work of the Shakespeare school.

In a lecture about the Shakespeare Festival, Michael Smith, a former Ontario Minister of Education, said that the festival is a unique event in the world. He said that the festival is a unique event in the world because it is the only festival in the world that is a festival of the arts. He said that the festival is a unique event in the world because it is the only festival in the world that is a festival of the arts.
